If you have a schedule conflict, please make arrangements to swap with one of the other readers on the schedule, **AND, please, notify** St. Mark's Office Manager, Stacey Roller, at stmarks_mke@sbcglobal.net so that the Bulletins can be accurate.

The **Revised Common Lectionary (RCL)** readings for each week can be found at <http://www.io.com/~kellywp/>. Or you can get there by clicking on "Calendars and Schedules" at the top of the St. Mark's Web site, then on the "Liturgical Calendar" graphic. Be sure to use the Revised Common Lectionary (RCL) readings, not the BCP readings.

Remember: If you read from the lower podium, the microphone is **ON** when you can see a blue light near the stem. The switch on the bottom—turn it over—needs to be **ON** for the mike to work, then **OFF** during the week. If it's left on, the batteries will be drained by the next Sunday.
