Friends in Christ,

I was walking the dog the other day in my new neighborhood of Bay View — near expansive Humboldt Park — and I found myself looking at all the dead leaves, empty trees, iced ponds, and heavy grey skies. I could feel the weight of the winter on my shoulders. As I was looking around at all the signs of mid-winter, I thought about how our lives have a cyclic quality. Of course, I'm not the first writer to notice that lives have seasons, but sometimes large truths bear repeating.

Maybe you're in a season of winter — emotionally or spiritually. Or maybe you're in the midst of an illness or a setback, and your body simply isn't spry and spring-like as you'd want it to be. St. Mark's is such a positive and upbeat place on Sunday mornings, I hope we're not giving off the impression that all of life is one big party. Every one of you knows that it is not. And our God and the great tradition of our Church know it isn't either. Jesus knows about winter, and the church does, too.

Our faith is a corporate one for a reason. We're not meant to be living this life on our own. Winter is a time for community — a time of being accompanied through the rough times, the cold times. God is with us on the dark nights, and the people of God are with us, too. We don't have to live through the difficult seasons alone. You're welcome at church no matter what season you're in.

Let the words of the author of Ecclesiastes be our instruction today:

For everything there is a season, and a time for every matter under heaven:

- a time to be born, and a time to die;
- a time to plant, and a time to pluck up what is planted;
- a time to kill, and a time to heal; a time to break down, and a time to build up;
- a time to weep, and a time to laugh;
- a time to mourn, and a time to dance;
- a time to throw away stones, and a time to gather stones together;
- a time to embrace, and a time to refrain from embracing;
- a time to seek, and a time to lose;
- a time to keep, and a time to throw away;
- a time to tear, and a time to sew;
- a time to keep silence, and a time to speak;
- a time to love, and a time to hate;
- a time for war, and a time for peace.

Blessed winter to you all.

Fr. Burch (Ian+)

## DEACON'S CORNER

For the last ten years Common Ground — an organization made up of churches, schools, universities, and small businesses — has a Friends of Common Ground campaign. St Mark's is a proud participant and member of this organization.

The purpose of Common Ground (CG) is to work on issues important to our community by seeking justice for the greatest numbers. One project has been to rehabilitate over 85 houses in the Sherman Park neighborhood, which helps stabilize the neighborhood. Another project has been to speak up against racial profiling by helping to bring about a civil rights action on behalf of minorities who have been profiled. Another project called Do Not Stand Idly By works to keep guns out of the wrong hands; it's a national program that promote gun safety. There

is also a project for workforce development in Milwaukee, whose purpose is to bring better training, jobs, and support for youth who are unemployed.

Presently, CG is researching how to save Saint Joseph's Hospital in Sherman Park from closing. By working with other mental health providers, CG hopes to make the hospital a psychiatric emergency provider for those in a mental health crisis. This is necessary because Milwaukee County will no longer provide this service for people without good private insurance after 2020. Another use for part of the hospital might be to bring quality elderly housing for folks with lower incomes. This would fill another great need in this community.

But perhaps the work CG is most known for is the establishment of the Common Ground Healthcare Cooperative, which today has over 50,000 members — many of whom receive government subsidies to make their insurance affordable.

There are other issues CG is working on, but this is just an idea of the breadth of the work that CG and its members are doing in the four-country area around Milwaukee. All of this requires money to fund the staff and the cost of developing the justice work Common Ground does.

The revenue for the CG budget is from member dues, some national church and foundation funding, and, importantly, the annual Friends of Common Ground campaign. St. Mark's has been a leader in raising funds for CG, and I'd like to see that continue. These funds are especially important since CG does not take government funding in order to stay independent and non-partisan.

So far this year, St Mark's has raised just short of \$10,000 from 19 donors for the CG 2019 budget. I am very proud that we raise the this amount of money for a church of our size. It speaks to the generosity of our members and their understanding of the importance of CG's work. Each year I am humbled to see how just a few St Mark's CG fundraising members can raise so much money to answer the call for justice that our faith calls us to.

I hope that you may be interested in finding out more about Common Ground's work and how you could become involved. There are 11 issues that CG is presently working on of a varied nature. One surely might catch your interest. If you would like more information about CG, please feel free to contact me ([michellemoonye5@gmail.com](mailto:michellemoonye5@gmail.com)).

# DIOCESE OF MILWAUKEE LEADERSHIP DAY

## INTRODUCTION TO SYSTEMIC RACISM

The Episcopal Diocese of Milwaukee invites you to its next Leadership Day on Saturday, March 23, at Zion, Oconomowoc. Crossroads Antiracism Organizing & Training will present a day-long Introduction to Systemic Racism.

The purpose of this workshop is to introduce participants to the idea that oppression and, in particular, racism is not only a matter of individual prejudice but a systemic, institutional problem of power, which requires structural intervention to dismantle.

Participants will be exposed to a definition of systemic racism. A rationale will be explored for developing a fuller analysis of racism, including understanding its historical and legal roots and contemporary functioning.

## CAPITAL CAMPAIGN DISCERNMENT MEETINGS

“Commit your work to the Lord and your plans will be established.” *Proverbs 16:3*

As many already know, St. Mark’s is in need of some improvements to the building. Over the coming months, you will be hearing and reading more about these needs and the desire to hold a proposed capital campaign in mid-to-late 2019 to raise funds for the projects.

The vestry has engaged Episcopal Church Foundation (ECF) consultant Sarah Townsend Leach to guide us through careful consideration of a capital campaign, purposefully to assure the congregation is invited into the process of review and opinion. We are beginning the discernment phase of ECF’s three-phase capital campaign process in earnest February 3, and now is a time for us to dream big and take time to develop a vision for the future of St. Mark’s.

During the month — from February 3-26 — we, as an entire congregation, will have conversations in small groups to answer the question “What is God calling us to do and be?” with prayerful reflection. As you are asked to engage in the Discernment process, we ask that you faithfully consider what a capital campaign could mean for the future of St. Mark’s and what projects God is calling us to support.

Jamie Zingler and Vince Katter have been at work scheduling these discernment meetings. We have twelve meetings set up during the month of February. We ask that every member of St. Mark’s sign up to attend one of these meetings. Some of the meetings are at church, and some are in people’s homes. Some are during the day, and some in the evenings. Take a look at the scheduled dates and sign up for one meeting that works for you. We would love to hear from everyone what your vision is for our church.

## ST. MARK'S POSTULANT — MATT PHILLIPS

Friends,

Many know that I have spent much of the last year in discernment, deeply listening to God's call in my life. Sarah and I feel so grateful and honored to have been supported by your prayers and well wishes, especially from those who walked along this journey with us in our Parish Discernment Committee. To our great joy, Bishop Miller has made me a Postulant for Holy Orders with the expectation that I will apply to seminary in the fall of 2020.

For now, I am continuing to grow and cultivate my prayer life, my preaching, and my love and service to God and my neighbors. I am also incredibly thankful and excited for the continued opportunity to serve the people here at St. Mark's. Sarah and I — along with our dog and cat — are loving our time in Milwaukee, especially on these snowy days — and can't wait for more to come!

Yours in Christ,  
Matt Phillips

## ST. MARK'S POSTULANT — KIRSTEN GUIDERO

Greetings, beloved St. Mark's community!

I've been settling in rural Indiana for five months now, and they have been jam-packed for sure. I began teaching first-years how to read (and how not to read!) the Bible in August, did lots of hiking with Lucy in September and October (tired dog stealing all the room in the bed), in November presented a paper on the role women's ordination has played in Anglican-Orthodox ecumenical relationships (looking official with my friend and former MU colleague Dr. Jakob K. Rinderknecht), and in December organized a workshop teaching congregants in my new local parish — Gethsemane Episcopal — how to make Advent wreaths while also learning how to thurifer (no one caught on fire!).

Bishop Miller has graciously permitted me to fold my work in the Marion parish into my formation as a postulant, so in addition to serving at the altar and reading Scripture, I'm also shadowing Vestry meetings, planning and executing major church outreach events, and helping re-launch our youth ministry. There may also be some adult education in the works. This semester I'm teaching a course on theological aesthetics, which has been very

exciting so far. We're exploring how race, gender, suffering, and class connect with traditional approaches to 'beauty' while trying to find a new way forward. I continue to finish up my dissertation and hope to have a defense date (with a visit to St. Mark's included!) to share for later this spring. My summer plans include: sleeping.

Could I ask your prayers for a major workshop I am co-leading next month as part of my postulancy work? It is a time of learning about and reflection on violence against women that Gethsemane is putting on for area residents, particularly local students. I am also planning a follow-up support group that will meet regularly, since so many of our young women have really suffered under discriminatory sexist teachings and behavior at home and in churches.

Lucy and I miss you all and look forward to seeing you soon!

*~Kirsten Guidero*

## CHILDREN AND YOUTH MINISTRY

### RESPOND: YOUTH GROUP

All youth in grades 7-12 are invited to join RESPOND, our youth group. Join us right after church in the Gathering Room (2nd floor) every 2nd Sunday of the month from 11:00 a.m. until 12:30 p.m., as we share lunch, sing songs, play games, and respond to God's call for us to love and serve our neighbors.

Our next meeting will be on Sunday, February 13, where we'll select and begin planning our spring service project together. To register or to learn more about RESPOND, please email Matt Phillips ([matt@stmarksmilwaukee.org](mailto:matt@stmarksmilwaukee.org)).

### HOLY MOLY | ST. MARK'S CHURCH SCHOOL

All children from K4 through 5th grade are welcome to attend Holy Moly, our church school here at St. Mark's. Join us as we learn a new Bible story each week through video, reading, discussion, and engaging crafts!

St. Mark's Church School gathers upstairs every week for the first part of Sunday worship beginning at 9:30 a.m., and ends in time for students to join their families in church for Communion. To register or learn more about Holy Moly and our Church School, or to receive our weekly children's ministry newsletter, email Matt Phillips ([matt@stmarksmilwaukee.org](mailto:matt@stmarksmilwaukee.org)) today.

### CHURCH SCHOOL TEACHERS

We need Church School teachers for the remainder of the school year. Not only is teaching Church School important, but it's easy, spiritually nourishing, and fun too! The Holy Moly Curriculum is easy to follow as it gives step-by-step instructions on how to facilitate class each week. Then the students do the rest!

If you would like to volunteer to teach Church School for a four-week block this winter or this spring, please add your name to our sign-up sheet, located next to the kitchen in the Parish Hall, or email Matt Phillips ([matt@stmarksmilwaukee.org](mailto:matt@stmarksmilwaukee.org)) today.

## ST. MARK'S EPISCOPAL CHURCH

St. Mark's is a growing, welcoming parish on Milwaukee's Eastside. We are a vibrant community of sojourners and seekers. We are young and old, families, singles and couples, gay and straight, from a variety of backgrounds. Together we represent a diverse array of perspectives and life experiences. We believe that the Holy Spirit is at work in our lives and in the world and that we are called, both as individuals and as a community, to share Christ's love with our neighbors. We hope that the community at St. Mark's will help you to grow deeper in your faith and that you will find yourself enlivened by service to God and to God's world.
